Text: Alice B. Kehoe, North American Indians, New Jersey: Prentice Hall, 1992.

Course Requirements: There will be no exams in this course until the final. Instead, students will:

- prepare a debate on the peopling of the Americas
- write five (5) papers, due every other Friday, on topics of your choice which relate to the material covered in those two weeks
- take six (6) quizzes on pertinent vocabulary throughout course
- visit the Etowah Mounds in Cartersville, GA (date to be arranged)
- attend class regularly and contribute to class discussion
- take a final exam on the issues relevant to contemporary Native Americans

Grading: The debate, six papers, and final exam will weigh equally toward the final grade. Quizzes will weigh half as much. Regular class attendance and participation in class discussion will be deciding factors in borderline cases. Note: More than three unexcused absences will result in a lowering of your final grade by one letter grade.

Thus: Debate	100
5 Papers @ 100 pts.	500
6 Quizzes @ 50 pts.	300
Final Exam	100
Total =	1000 points for course
