Ege, Seyhan, et. al., "Study Guide For Organic Chemistry," 3rd edition, D.C. Heath & Company, Lexington, MA, 1994.

We will attempt to cover chapters 1 to 14 this semester.

Attendance: Attendance is required and will be taken for every class. Three absences will be unquestioned (but it is best not to miss any classes), but for every absence more than three classes, one point will be subtracted from your final grade average.

Tests: Tests will be held on Friday afternoons at 2:15 p.m. There are no makeup tests.

Friday, September 18

Friday, October 16

Friday, November 13

Tuesday, December 8 (during class time, if another test is needed)

Quizzes: There will be 13 unannounced quizzes during the semester. Any quiz will cover only the material from the previous class. The best 10 quizzes will be counted as one test towards your final grade.

Final Exam: The final exam is comprehensive and is scheduled for Monday, December 14, for 7 to 10 p.m.

Office Hours: By appointment
