Course Outline for SOC 11

SOCIOLOGY OF GENDER

Effective: Spring 2016

I. CATALOG DESCRIPTION:

SOC 11 — SOCIOLOGY OF GENDER — 3.00 units

This course examines the social construction of masculinity and femininity historically and cross-culturally. It analyzes the impact of economic and political change on gender expectations and practices. This class focus includes both macro-analysis of how institutions shape gender and microanalyses of how individuals “do” or practice gender.
