

PE 101 Weight Training
(Fall 2012, Tu. & Thur. 10:00 to 11:15 am)

Instructor: Dr. Yang, Guibao

Phone: 770-784-8371,

E-mail: gyang2@emory.edu

Office hour: MWF: 12:50 to 1:50pm

Also by appointment.

Office: Gym 103 H

Fax: 770-784-4677

Location: Williams Gym 103

TTh: 11:15am to 11:50am, 1:05 to 1:40pm

Catalog Description:

This course uses weight training machines plus free-standing equipment and selected free weights. Students engage in programs designed to enhance muscle fitness, muscle strength, muscle endurance, and flexibility. Nutrition, body composition, and general physical fitness information/labs also are included. Cardio activities may be included. Written exams cover principles of weight training as well as nutrition, body composition, and general physical fitness. Additional materials provided by instructor.

Text:

Class material will be provided via **Blackboard**

***You will also need a stopwatch or a device that has the same functions as a stopwatch. Most sport-watches have a stopwatch function.

Objectives:

Upon completion of the course the student will be able to:

1. List, understand, and explain skeletal muscle characteristics.
2. Define, understand, and implement weight training principles and regimens.
3. Define and Describe Acute and Chronic Responses to Resistance Training in men and women.
4. Describe the energy systems that supply energy for muscle contraction.
5. Identify the components of physical fitness.
6. Assess and evaluate ones present physical fitness status.
7. Design and develop an individualized physical fitness program.
8. Improve and maintain personal fitness.
9. Learn and identify the importance of nutrition and psychology in relation to weight training.
10. Understand the kinesiology of weight training

Course Topics:

Please refer to the course outline.

Activities:

Lecture, demonstration, and selected handouts.

Assignments:

The student will be required to perform few assignments.

***The assignment must be **TYPED** and handed in on the day that it is **DUE**. All tests must be taken on the day that the test is posted. **LATE ASSIGNMENTS WILL NOT BE ACCEPTED AND TESTS THAT NOT TAKEN ON TEST DAY WILL NOT BE MADE-UP.** If you are going to be absent on assignment due dates or test days, it is the student's responsibility to make arrangements with Dr. Yang one class period before the day that will be missed.

Evaluation: The final grade will be based on:

Written Exams: (20 %) 250 points

Midterm Written Exam:	100
Final Written Exam:	150

Written Assignments: (20%) 200 points

Write and submit typed essays (double spaced) on the following:

1. **Personal nutritional assessment (10%):** You will record one week your food and drink intake and do an analysis and assessment based on principles of healthy nutrition you have learned from this class. It must be at least 3 pages long and typed with a table. The deadline is will be announced later.
2. **Personal fitness program design (10%):** You will design a five-week personal fitness program by applying all of the principles you have learned from this class. It should focus on one main activity and add more depending on your own time and ability. It must be at least 3 pages long and typed with a table. The deadline for this paper is by **November 30, 2012.**

Details regarding these assignments will be announced later.

Workout Log and Fitness Improvement: (10%) 100 points

We will have Pre and Post fitness and strength/endurance tests to see if you have improvement at the end of the semester. You are required to record and keep your workout log for each class and workout. I will check it each class. At the end of semester, you will summarize your workout and typed and turn in to get your credit.

Team Power Point Presentation: (10%) 100 points

You will find a partner and do a team power point presentation within ten minutes. The topic you select must relate to weight training and fitness. I will help you to select a topic for your presentation.

Participation and Motivation (35 %) 350 points

Students will earn **300 points** for their final grade if they do not miss more than **two (2)** lasses.

Students will earn **100 points if they are motivated and actively participating all of the activities of the class** (it is my subjective evaluations to each student).

Grading Summary:

A=920–1000	A-= 900-919	B+=880–899	B=820-879	B-800–819	C+=780–799
C=720-779	C-=700-719	D+=680-699	D=620–679	D-=600-619	F=0 – 599

Department Class Attendance Policy

MWF (3) TTH (2) attendance policy

a. Religious holidays approved by the college may be observed without penalty but your instructor must be informed of your intention to do so in writing and in advance of the holiday.

b. You are expected to attend all classes at the scheduled time; therefore tardiness and absences affect your final grade. A maximum of three (MWF)/two (TTH) absences are allowed without penalty. There are no excused absences in this class. If you have to miss a class due to unusual circumstances (serious illness/emergencies), you must communicate your reasons to your instructor prior to the absence via email or voice message; if that is impossible, you must communicate with your instructor as soon as you are able. **If you miss three consecutive days it is the instructor's responsibility to report your name to the Office of Academic Services.

c. After the allowed absences (3/2), each following absence will result in a 5% reduction of your final grade, e.g., **MWF**: 4 absences = 5% reduction; 5 absences = 10% reduction; 6 absences = 15% reduction; 7 absences = 20% reduction; 8 absences = 25% reduction; 9 absences = automatic final grade of F. **TTH**: 3 absences = 5% reduction; 4 absences = 10% reduction; 5 absences = 15% reduction; 6 absences = 20% reduction; 7 absences = 25% reduction; 8 absences = automatic final grade of F.

d. You are expected to be on time for class. If you arrive after roll call, you are responsible to confirm your presence with your instructor.

e. At the end of the semester, MAKE UP work may be provided at the instructor's discretion. For make up work to be considered, 1) all absences must be valid 2) you must provide acceptable medical documentation or a reasonable explanation regarding an exceptional circumstance must be provided 3) you must schedule an appointment in a timely manner for the purpose of presenting a record of missed classes and your justification for the absences. Your instructor will decide whether make-up opportunities should be granted and will set a deadline for the completion of such work before final grades are due.

Late Arrivals

Students are expected to come to the class on time. If you arrive after roll-call, you are late. Three late arrivals will be equivalent to one absence. If you are late, you must see me **at the end of that class** to remind me to change your absence to a late. If you do not, **you may be counted absent even when you were in class**.

Honor Code:

Oxford College considers any academic misconduct such as cheating of any form on a quiz, examination or homework to be a very serious offense. Any students not adhering to the honor code policy will be subject to likely consequences.

General Requirements and Information:

A. No cell phone, food, drinks, or gum chewing is allowed in the class.

- B. Dress:** Loose sportswear, t-shirts, shorts, sweat pants and so on are required and highly recommended. **No Jeans except Lecture time. Failure to wear proper Gym cloth may not be allowed to take part in the class and marked as an absence.**
- C.** Try not to wear jewelry during classes and glasses worn should be secured.
- D. Attention:** Class activities may include vigorous exercises. If you have any medical condition or physical problems to prevent you from full participation in such activity, it is your responsibility to inform me of its nature (e.g., weak knee joint, history fainting etc.). If you have a condition which would limit your potential for fulfilling the requirements of this class you should have your physician fax a letter immediately to me stating a) the nature of the limitation(s) and b) his/her suggestions for activities which would help you meet the requirements of this course.
