Course Outline for FST 72

FIRE MANAGEMENT 1

Effective: Spring 2019

I. CATALOG DESCRIPTION:

FST 72 — FIRE MANAGEMENT 1 — 2.00 units

Designed for Company Officers or for Firefighters preparing for the position of Company Officer. This course prepares or enhances the first line supervisor's ability to supervise subordinates. It introduces key management concepts and practices utilized by Company Officers, and includes discussions about decision making, time management, leadership styles, personnel evaluations, and counseling guidelines. This is a State of California Fire Marshal, State Fire Training, CFSTES (California State Fire Service Training and Education System) course approved by the California State Fire Board. A certificate will be issued by the California State Fire Marshal, State Fire Training upon successful completion of the course. This course satisfies one of the course component requirements for the certification track of "Company Officer". This course also meets or exceeds all Level I and Level II NFPA 1021, "Standards for Fire Officer Professional Qualifications" that apply to management.

2.00 Units Lecture
