DRESS: Choose from the following dancewear options: leotards, tights, unitards, bicycle pants, sweat pants, sweatshirts, and t-shirts. (no pajamas or shorts) Clothes should be loose enough to allow for freedom but fitted enough to allow for viewing of alignment. You may choose to buy a pair of ballet shoes for ballet and jazz. If you do not choose to buy shoes you should wear socks for ballet and jazz. Modern is performed without shoes or in socks. Secure your hair out of your face and remove large dangling jewelry. Chewing gum is not permitted in a dance class.

ATTENDANCE POLICY: Oxford College does not offer distance learning classes; your physical presence is an expectation. You are responsible for what is covered in every class. Two absences are permitted without penalty. In case of a minor illness a sedentary assignment will be available for you to do in class. If this is necessary beyond one class you should make an appointment to discuss your situation with me.

LATE ARRIVALS: It is expected that you will arrive for class on time. Late absences will be recorded as such.

CLASS DISRUPTIONS: Common courtesy is an expectation. Anyone who disrupts class will be asked to leave and counted absent.

RELIGIOUS HOLIDAYS: Religious holidays approved by the college may be observed without penalty but I must be informed of your intention to do so in writing and in advance of the holiday.

EXTENUATING CIRCUMSTANCES: If you find yourself in an extenuating circumstance, it is your responsibility to make an appointment with me as soon as possible to discuss your situation. I will expect you to provide a complete record of all of your absences (dates and reasons). All absences should be for valid reasons. There are no excused absences beyond the 2 that are provided, but make-up work may be offered at my discretion. The amount of time it takes for you to initiate this meeting and your ability to present your attendance record will be a consideration in my decision to offer make-up work or not.

ADAPTED SYLLABUS: If you have a physical situation that requires an adapted syllabus, it is essential that you immediately provide specific information from a medical professional explaining what activities are prohibited and what you are still physically able to do.
