

Chemistry 120
Spring 1997

Instructor: Monica Ali, Pierce Hall, Room 210

Text: Bettelheim, F.A. and J. March, "General, Organic, & Biochemistry,"
4th edition, Saunders College Publishing, New York, 1995. Chapters 10-18

Scovell, W. "Study Guide to accompany Introduction to General, Organic, and
Biochemistry," 4th edition, Saunders, New York, 1995.

Attendance: Attendance is required and will be taken every class. Should you be present for every class, a bonus point will be added onto your final average. Should you miss more than three classes, a point per class missed will be subtracted from your final average.

Tests: Tests will be given for 60 minutes during the class period on the following days:

Friday, January 31

Friday, February 21

Friday, March 21

Friday, April 11

Monday, April 28

There are no makeup tests. Should a test be missed (only for the most urgent of reasons) the grade on the final exam will be used for both tests if you notify the instructor before the scheduled time of the test and the reason for the absence is acceptable.

Office Hours: ~~Monday and Friday 1:30 - 3:00~~
By appointment.

Laboratory: Your laboratory instructor will explain to you the rules and procedures to be followed in the lab. In order to pass the entire course it is necessary to pass the laboratory portion of the course.

Grading:	5 tests at 100 points each	500
	1 final	150
	laboratory	150

		800
