Department Class Attendance Policy

MWF (3) TTH (2) attendance policy

a. Religious holidays approved by the college may be observed without penalty but your instructor must be informed of your intention to do so in writing and in advance of the holiday.

b. You are expected to attend all classes at the scheduled time; therefore tardiness and absences will affect your final grade. **There are no excused absences in this class. If you have to miss a class due to unusual circumstances (serious illness/emergencies), you must communicate your reasons to your instructor prior to the absence via email or voice message; if that is impossible, you must communicate with your instructor as soon as you are able. A maximum of three (MWF)/two (TTH) absences for illness or emergencies maybe allowed with instructor's consent without penalty..** **If you miss three consecutive days it is the instructor's responsibility to report your name to the Office of Academic Services.

c. **Five percent (5%) on MWF classes and seven percent (7%) on TTH classes of your final grade maybe deducted from your participation grade if you miss the class without a good reason. After the three or two (3/2) allowed absences for emergencies or serious illness, each additional and following absence will result in a 5% or 7% reduction of your final grade. If a cumulated deduction of your participation grade is over 35%, your final grade is going to be a automatic F.**

d. You are expected to be on time for class. If you arrive after roll call, you are responsible to confirm your presence with your instructor.

e. At the end of the semester, **MAKE UP work may be provided at the instructor's discretion. For make up work to be considered, 1) all absences must be valid 2) you must provide acceptable medical documentation or a reasonable explanation regarding an exceptional circumstance must be provided 3) you must schedule an appointment in a timely manner for the purpose of presenting a record of missed classes and your justification for the absences. Your instructor will decide whether make-up opportunities should be granted and will set a deadline for the completion of such work before final grades are due.**

Late Arrivals

Students are expected to come to the class on time. If you arrive after roll-call, you are late. **Three (3) late arrivals will be equivalent to one absence.** If you are late, you must see me at

the end of that class to remind me to change your absence to a late. If you do not, **you may be counted absent even when you were in class.**

Leaving class early

Leaving class early without instructor's consent will be considered as an absent.
