

Division of Physical Education & Dance P.E. 125 - Badminton Mr. Harris, Instructor Spring 2011

Goals/Purpose

It is the purpose of this course to develop the basic skills of badminton. These skills include but are not limited to backcourt clear, backcourt drop, smash, high-clearing serve, short-low serve, net clear, net drop, service return, smash, smash return, drive, and all related movement.

Course Description

This course is designed for the student with very little knowledge of the game of badminton with all students considered as beginners. Skills and elementary strategy will be taught for both singles and doubles play with the discussion of all rules and regulations.

Text

All study materials will be provided by the instructor.

Dress/Equipment

Students should wear tennis or basketball shoes. Jogging shoes, cross trainers, and hiking boots **are not** permitted. Students with improper footwear will not be allowed to participate. Shoeless participation is prohibited. Comfortable, loose-fitting, athletic wear is encouraged. Students are expected to furnish their own badminton rackets.

Attendance

Divisional Attendance Policy

MWF (3) TTH (2) attendance policy

Class Attendance Policy:

- A. Religious holidays approved by the college may be observed without penalty but your instructor must be informed of your intention to do so at least <u>24 hours in advance of the holiday</u>.
- B. You are expected to attend all classes at the scheduled time; therefore tardiness and absences affect your final grade. A maximum of three (MWF)/two (TTH) absences are allowed without penalty. There are no excused absences in this class. If you have to miss a class due to unusual circumstances (serious illness/emergencies), you must communicate your reasons to your instructor prior to the absence via email

or voice message; if that is impossible, you must communicate with your instructor as soon as you are able.

If you miss three consecutive days it is the instructor's responsibility to report your name to the Office of Academic Services.

C. After the allowed absences (3/2), each following absence will result in a 5% reduction of your <u>final</u> <u>grade</u>, e.g.,

MWF: 4 absences = 5% reduction; 5 absences = 10% reduction; 6 absences = 15% reduction; 7 absences = 20% reduction; 8 absences = 25% reduction; 9 absences = automatic final grade of F.

TTH: 3 absences = 5% reduction; 4 absences = 10% reduction; 5 absences = 15% reduction; 6 absences = 20% reduction; 7 absences = 25% reduction; 8 absences = automatic final grade of F.

- D. You are expected to be on time for class. If you arrive after roll call, you are responsible to confirm your presence with your instructor. A student who is late for class on two occasions will be considered absent on one occasion.
- E. Any student attending all classes during the semester will have 2 points added to his/her final grade.

Extra Credit

An opportunity for extra credit exists in the form of spontaneous class presentations, skill demonstrations, and specified outside participation in badminton-related activities. These points will be added to the student's final grade.

Homework

Each session of homework is to be performed in 30-minute minimum increments. A student is encouraged to spread the homework sessions over the three week period. It is preferred that not more than one homework session be performed on any given day. A student is allowed to perform an additional homework session provided there exists a morning/afternoon/evening separation between the homework sessions. Only those skills that have been taught in class should be practiced at any given time. An attended help session will count as a homework session. Homework slips may be picked up from the equipment-room manager or from security. Homework slips must be filled out correctly in order to receive credit.
