Department Class Attendance Policy: MWF (3) TTH (2) attendance policy

- a. Religious holidays approved by the college may be observed without penalty but your instructor must be informed of your intention to do so <u>in writing and in advance of the holiday</u>.
- b. You are expected to attend all classes at the scheduled time; therefore tardiness and absences will affect your final grade. There are no excused absences in this class. If you have to miss a class due to unusual circumstances (serious illness/emergencies), you must communicate your reasons to your instructor prior to the absence via email or voice message; if that is impossible, you must communicate with your instructor as soon as you are able. A maximum of three (MWF)/two (TTH) absences for illness or emergencies maybe allowed with instructor's consent without penalty.. **If you miss three consecutive days it is the instructor's responsibility to report your name to the Office of Academic Services.
- c. Five percent (5%) on MWF classes and seven percent (7%) on TTH classes of your final grade maybe deducted from your participation grade if you miss the class without a good reason. After the three or two (3/2) allowed absences for emergencies or serious illness, each additional and following absence will result in a 5% or 7% reduction of your <u>final grade</u>, If a cumulated

deduction of your participation grade is over 35%, your final grade is going to be an automatic F.

- d. You are expected to be on time for class. If you arrive after roll call, you are responsible to confirm your presence with your instructor.
- e. At the end of the semester, MAKE UP work may be provided at the instructor's discretion. For make-up work to be considered, 1) all absences must be valid 2) you must provide acceptable medical documentation or a reasonable explanation regarding an exceptional circumstance must be provided 3) you must schedule an appointment in a timely manner for the purpose of presenting a record of missed classes and your justification for the absences. Your instructor will decide whether make-up opportunities should be granted and will set a deadline for the completion of such work before final grades are due.

Late Arrivals

Students are expected to come to the class on time. If you arrive after roll-call, you are late. **Three (3)** late arrivals will be equivalent to one absence. If you are late, you must see me at the end of that class to remind me to change your absence to a late. If you do not, you may be counted absent even when you were in class.

Leaving class early

Leaving class early without instructor's consent will be considered as an absent.
